Dear Ms. Brown:

Please accept this letter as a supplement to the above referenced letter which sought to substitute Dark Properties, Inc. in lieu of the Michigan Department of Natural Resources as the trail sponsor for a portion of the line that is the subject of the above abandonment proceeding. Dark Properties seeks to supplement its letter by acknowledging that any use of the right-of-way for interim trail use is subject to Dark Properties continuing to meet its responsibilities and obligations as noted in its October 18 letter and is also subject to possible future reconstruction and reactivation of the right-of-way for rail service.

Dark Properties served a copy of the October 18 letter on all parties of record and has likewise done so with respect to this letter. Should you require further information, please contact Mr. William F. Bartlett, Corporate Manager – Properties at 989-684-5088 ext. 261.

Re: Amendment to letter filed October 18, 2011 regarding STB Docket No. AB-308 (Sub-No. 4X), Central Michigan Railway Company – Abandonment Exemption – Line in Kent County, MI

Dear Ms. Brown:

The Central Michigan Railway Company ("CMRY"), filed a letter dated October 18, 2011 pertaining to Dark Properties, Inc. request to be substituted as the trail sponsor for a portion of the line that is subject to the above abandonment proceeding. Within that letter a typographical error occurred in paragraph 2. The last sentence stated ***"that CMRY is willing to negotiate Interim trail use/rail banking with the State of Michigan Department of Natural Resources."*** That sentence should state ***"that CMRY is willing to negotiate Interim trail use/rail banking with Dark Properties, Inc."*** Please accept our apologies for this error and let the record note the corrected language for the letter dated October 18, 2011.

I there are any questions concerning this, please contact me.

Sincerely,

William F. Bartlett  
Corporate Properties Manager
